

Methodology: The ShowingTime Showing Index[®] measures showing traffic per residential property for sale by agents and brokers utilizing ShowingTime solutions for property-access management. A higher number means that an average home receives more buyer visits in a given month. All index values are scaled relative to initial index value set to 100 for January 2014.

Summary	May 2018	April 2018	May 2017	Percent Change
